

KEYS FOR KIDS RADIO STAY-AT-HOME PRAYER GUIDE

DIRECTIONS

Pick a day of the week and a room in your house to pray for each of the categories below. You can use them as written or modify them as you wish (or just use your own words). Spaces have been added below each prayer so you can add specific things to pray for.

MISSIONS

Father, we ask that you would protect your workers who are facing persecution. Please help them be bold and reach out to others in Your love. We also pray for the Go 2020 challenge. We ask that as each one of us prays for five people to come to You, together we'll be empowered to share the gospel.

THE SICK AND VULNERABLE

Dear God, we pray for all those who are sick with the coronavirus and ask that you would heal them. Please comfort the families of those who are sick and help them to not be afraid. And we pray for older people and people who already have health problems to not get sick.

ESSENTIAL WORKERS

Father, we pray for all the healthcare workers taking care of patients and please protect them so they do not get sick themselves. We pray for those who are providing us with food and essential items to stay healthy and safe as they work.

LEADERS

Jesus, we pray for wisdom for our leaders as they make decisions about staying at home and when to reopen schools and businesses. We also pray for the doctors and scientists who are helping them make those decisions.

NEIGHBORS AND FAMILIES

Lord, we pray for our neighbors, especially our sick or older neighbors. We also pray for our family and other families that may have everybody home all the time to help us get along. And we pray for families going through financial struggles that You provide the help they need.

CHURCHES AND PASTORS

Father, we ask you to help Your church. Please help them share the love of Jesus with those in their cities. Please keep them safe from the virus. Also, please guide the pastors and leaders at each church to make godly decisions for their communities..

ORGANIZATIONS

God, we pray for all the businesses and nonprofits that have been impacted by the coronavirus, especially for homeless shelters and food pantries. We pray for ministries like Keys for Kids Ministries to keep providing resources to those they serve and that You provide the donations to keep the work going.
